New London Local Schools Kindergarten Registration 2018-19 School Year

New London Elementary is searching for little Wildcats who are ready to come to Kindergarten! To enter kindergarten in August 2018, a child must be five (5) years old on or before July 31, 2018.

Student registrations will be available online beginning February 21, 2018. Please use the online registration portal available on our district webpage www.nlschools.org. Following your submission for enrollment the school registrar will contact you to schedule a time to meet with you to complete your child's enrollment.

Registration documents required to complete your child's registration:

Proof of Residency
Birth Certificate
Social Security Card
Health Records (Immunizations)
Custody Papers (If Applicable)

Registration for kindergarten is NOT complete until all of the materials above have been received and verified by the school registrar.

If your child attends New London Elementary Preschool your documentation above is already on file. Updated Health records may be the only information you need to provide. **All new kindergarten students will need to complete a "New Student Enrollment Form" for Kindergarten.**

Screening

Kindergarten Screening will be held **May 24, 8am-6pm and May 25, 8am- 11am, 2016.**

Screenings are held at New London Elementary and last approximately 1 hour. Kindergarten Screening is the first step in the process of determining your child's developmental levels. This procedure serves as a guide for the school staff to design an educational program that will meet the needs of each student. The school office will schedule a screening appointment after your registration documents above have been received. If you do not have a screening appointment, please stop at the elementary office to schedule one.

If you have any questions regarding Kindergarten Screening, please call Mrs. Amanda Accavallo, Elementary Principal, at 419-929-1586.

We are excited to welcome you and your child into our Wildcat Family! If you have any questions please do not hesitate to ask our staff. We are here to help your family through every step of this exciting process!
